Inspector General
of Prisons in
Mysore

To,

The Dewan to
His Highness the
Maha Rajah
of Mysore

Sir,

I have the honor to submit for the consideration of Government the advisability of reducing the number of Jails in this Province.

2. There are at present existing in this Province, one Central Jail at Bangalore and seven District Jails, viz- those of Kolar, Tumkur, Mysore, Kapan, Shimoga, Kadur and Chittledroog. I propose the immediate abolition of the District Jails at Kolar, Tumkur, Kapan Kadur and Chittledroog. I would draft the Prisoners from Kolar and Tumkur to the Central Jail at Bangalore, those from Kapan to Mysore,

and those from Kadur and Chitteldroog to Shimoga. The enclosed return shows that during the past year in none of the Jails proposed to be abolished has the monthly average number of prisoners exceeded 40. In Tumkur and Chitteldroog the average is much lower. Some of these Jails require immediate and considerable expenditure to be made on Repairs. My proposals will obviate the necessity of executing the Repairs and they will necessarily save a tolerably large sum by the reduction of the Establishments.

3. On other grounds also, the abolition is, I submit, very advisable. Some of the smaller Jails are notoriously unhealthy. In all of them the discipline is necessarily very lax, and the punitive effect of imprisonment in these outlying Jails is necessarily very slight. The Superintendents have as a rule other important duties to perform, and have necessarily but little time to devote to the superintendence of the Jail. It is, I submit, obviously inconvenient to scatter small bands of prisoners over so many parts of the Province; it will be far better to concentrate our convict labor in the large Jails where there are

trained

trained Superintendents who devote themselves to the work of the Jail; greater effect can of course be given in these large Jails to judicial sentence, and much stricter discipline can of course be maintained there than in the smaller Jails.

4. I have consulted Dr. Dr. Gann and Benson, and they entirely concur with me as to the advisability of immediately abolishing the small Jails. There is ample accommodation in the three Jails which I propose to retain for the prisoners from the abolished Jails distributed as above.

5. If Government agrees with me I would suggest that the small Jails as above should be abolished from the 1st of April next, and I ask for early orders to enable me to make the necessary arrangements. With regard to the Establishment of the Jails proposed to be abolished, I will make a detailed report when I receive the orders of Government on the main question.

P. S.

In substitution of the Rules promulgated in the Proceedings of the Inspector General of Prisons No. I dated 1st February 1879, for Rules 1, 2, 3 and 4, I would substitute,

In cases committed for trial from the ~~Taluk~~ Chitteldroog ~~Subdivision~~ Sub Div. to the Sessions Judge Nundydroog, all persons convicted will be sent to the Central Jail at Bangalore; in cases in the said ~~Subdivision~~ Sub Div. tried by the Magistrate, all persons sentenced to more than 30 days imprisonment shall be sent to the Shimoga Jail, under 30 days to the Lockup at the Head Quarters of the respective Taluks.

In Sunkur District, in cases tried by the Magistrates, all prisoners sentenced to 30 days or less imprisonment, shall be sent to the Lockups of the respective Taluks where they are sentenced; in all

other cases, the prisoners shall be sent to the Bangalore Central Jail.

In the Kolar District, in cases tried by the Magistrates, all prisoners sentenced to 30 days or less imprisonment shall be sent to the Lockups of the respective Taluks where they are sentenced; in all other cases the prisoners shall be sent to the Bangalore Central Jail.

In the Mysore District ~~at present consisting of~~, in the cases tried by the Magistrates, all the prisoners sentenced to imprisonment for a term of 30 days or under, shall be sent to the Lockup of the Taluk in which sentence is passed; in all other cases, the prisoners shall be sent to the Mysore Jail.

In the Hassan and Kadur, in cases tried by the Magistrates, all the prisoners sentenced to imprisonment for a term of 30 days or under shall be sent to the Lockup of the Taluk where sentence is passed, in all other cases, the prisoners shall be sent to the Jail at Shimoga.

Rules 5 and 6 may stand.

For Rule 7, read, No convicted prisoners, shall be confined in any Taluk Lockup which is situated within 10 miles of either of the Jails at

at Shimoga Mysore or Bangalore convicted prisoners who would otherwise have been confined in such Lockups shall be sent on to such of the said Jails as is nearest.

Rule 8 may be struck out.

Rules 9 and 10 may stand.

The Rules published on 26th June 1879 No. G, and those published on 26th May 1880 No. K shall be cancelled.

Sir,

I have the honor to report, for the information of Government, that 2 prisoners, named in the margin, effected their escape from the Sinnakir, District Jail at 11 A.M. on the 10th Instant by scaling the wall at the back of the Jailor's quarters.

Subbah sentenced to 6 months imprisonment on 25th May 1883.
Linnah - sentenced to one months imprisonment on 30th May 1883 -

2. From enquiries made, it at first appeared that both the Jailor and Duffedar were to blame, but the result of further enquiries

enquiries was, to exonerate the
Jailor from blame and to throw
all the discredit on the Duffedar.
I ordered the prosecution of the
Duffedar on a charge under Section
223 of the Indian Penal Code,
and have since learned that
the Duffedar has been convicted
and sentenced to undergo two
months' simple imprisonment.
3. The Superintendent of
the Jail has been directed to
furnish every District Magis-
trate with a descriptive Roll
of the two escaped prisoners
for communication to the
several Magistrates and
Police Officers in their Districts.
4 I take this opportunity
of again strongly recommending
the abolition of this outlying
